

## UNIFORM GRADING SYMBOLS: GLOSSARY AND GUIDELINES

- I. The following glossary of uniform grading symbols shall be employed according to the interpretation provided below. **Grades are assigned based on the definitions contained herein. Individual units of the University need not employ all symbols but must adhere to the following interpretation for those employed and may not use any symbol that is not included in the glossary. Quality points are to be used to calculate the grade point average (GPA) or index.** A dash "--" indicates that the grade does not carry a numerical value and is not to be included in the GPA. Plus ("+") and minus ("-") grades shall be interpreted as equivalent to "+0.3" and "-0.3", except as noted.

- II. Any student **transcript** record sent from a unit of the University must include a grade for every course for which a student has been officially registered **and not dropped during the program adjustment or refund period**. The program adjustment period, formerly referred to as the add-and-drop period, coincides with the official refund and Form A due date. Clerical, computer or professional errors are not to be considered a part of the historical record and should be deleted.
- III. **Students who officially withdraw during the program adjustment or refund period will have no grade including “W” recorded.** The program adjustment period established by each unit may not exceed the official refund period.
- IV. All courses or credits for which the student is officially registered after the program adjustment period shall be considered “attempted credits.”
- V. **A withdrawal after the program adjustment period will be assigned the grade of “W” (Withdraw) or “WF” (Withdraw Failing) or “WU” (Withdraw Unofficially, Student attended a minimum of one class) or “WN” (never attended class) depending upon the determination of the individual unit of the University. Students who officially withdraw after the official refund period, but prior to the end of the designated withdrawal period (before two-thirds of the semester has elapsed) will have a grade of “W” (withdrew) recorded. After that period, however, with special permission to withdraw by faculty and/or appropriate college committee, a grade of “W” or “WF” (withdrew-failing) may be recorded.**
- a. **A grade of “W” is assigned to students who officially drop a class after the refund period and prior to the tenth week of the semester**
  - b. **A grade of “WN” is to be assigned to students who never attended and did not officially withdraw**
  - c. **A grade of “WU” is to be assigned to students who attended a minimum of one class, stopped attending, but did not officially withdraw**
  - d. **A grade of “WF” is an official withdrawal initiated by the student or the college indicating that a student was failing the course at the time of withdrawal**

- VI. The grade of “W” is awarded only when it is clear that the student has good and sufficient reasons for withdrawing from the courses.
- VII. The “W” and “WF” grades are official withdrawals and documentation as to when the withdrawal occurred must be available at the college.
- VIII. The “WF”, “**WN**” and “WU” grades are not to be used interchangeably. These grades have a zero value in the quality points index, but the “WF” is an official withdrawal initiated either by the student or the college.
- IX. The grade of “INC” lapses to an “FIN” grade, according to a deadline established by the individual units of the University but no later than the last day of the following semester, or its equivalent in calendar time, exclusive of Summer Session. Students who have officially withdrawn from a college and have these grades may be exempted from the limitations.**

**The grade of “INC” (Incomplete) should be given by the instructor in consultation with the student with the following guidelines:**

- a. **only when there is a reasonable expectation that a student can successfully complete the requirements of the course no later than the last day of the following semester, or its equivalent in calendar time, exclusive of Summer Session**
- b. **when a student has been absent from the final exam and a make-up exam is scheduled no later than the last day of the following semester, or its equivalent in calendar time, exclusive of Summer Session**
- c. **temporary grade awarded when the disposition of the final grade requires further evaluation for reasons other than the Procedures for Imposition of Sanctions related to the Board's Academic Integrity Policy**

**Transcript comments for INC grades should be added to the student record indicating the nature of the incomplete.**

- X. The “PEN” grade is a temporary grade awarded when the disposition of the final grade requires further evaluation and when the absent or incomplete grades are inappropriate. **'PEN' is also used to facilitate the implementation of the Procedures for Imposition of Sanctions whereby colleges must hold a student's grade in abeyance pending the outcome of the academic review process. The PEN grade will not lapse to FPN; final determination of a**

**grade will depend on final evaluation by the instructor or the outcome of the college's academic review process.**

- XI. The grades of "NC" and "R" represent non-punitive failures indicating unsatisfactory completion of the course. The "R" grade is restricted to noncredit remedial courses and developmental courses; the "NC" grade is restricted to regular courses and compensatory courses. This grade can also be used by colleges for other administrative actions such as disciplinary dismissals. Neither of these grades is to be counted in the quality points index nor may it be used in lieu of incomplete or withdrew grades.
- XII. The grade "Y" denotes that the semester's work has been completed; however the course is still in progress and a final course evaluation cannot be determined until the entire activity has been concluded.
- XIII. For the purpose of satisfying the program pursuit requirements for State financial assistance awards (Section 145-2.2 of the Regulations of the Commissioner), the grades of "W", "**WA**", "WF" "**WN**", and "WU" shall signify that the course has not been completed. All other grades, with the exception of the "AUD" grade, shall signify that the course has been completed.
- XIV. The grade point average is an index of a student's scholastic performance at a particular college. All grades that carry a numerical quality point value shall be included in the calculation of the grade point average.
- XV. Any notation regarding a student's probationary status appears only on the nonpublic (or notes) section of the transcript.
