
Division of Social Science

Public Policy and Public Affairs Minor

Program Director: Professor Lily M. Hoffman

Program Office: NA 6/135, 212 650-5856

This minor offers an interdisciplinary approach to studying health, education, environmental, urban, and other public policy areas, with an emphasis on acquiring the analytical tools required for policy development and decision-making.

All students wishing to minor in public policy and affairs must consult with the program director (see above).
